H. R. 9736  
House Bill 4 Personal Effects*

23 July 1954

Mr. Roger W. Jones  
Assistant Director for  
Legislative Reference  
Bureau of the Budget  
Washington 25, D. C.

Dear Mr. Jones:

This will acknowledge receipt of your letter of 9 July 1954, requesting an expression of the views of this Agency with regard to H. R. 9736, a bill To establish uniform weight allowances governing the transportation at Government expense of property of Government officers and employees (including members of the uniformed services), and for other purposes.

The Central Intelligence Agency has been in consultation with the Bureau of the Budget during the preliminary drafting of this bill, and in my letter to you of 27 April 1954 certain changes in the draft were requested. These are included in H. R. 9736, and we have no objection to it in its present form and substance.

One minor suggestion occurs to us in view of the fact that the Administrative Expenses Act of 1946 has been amended twice since its original enactment. We would suggest that the words "as amended" be inserted following the figure "1946" on page 1 line 4, page 9 line 23, and wherever else appropriate.

Sincerely yours,

*(Signed)*

Walter L. Pflanzheimer
